

STILL SQUARE

This high-gloss white acrylic bath has unique features. For example, a square pop-up is placed in the bottom. The overflow is a sleek elongated slot. So no more rotary knob. The sleek overflow can also be carried out with Riho Fall; a system to fill the bath via the overflow. Then no separate tap is needed. Still Square can also be executed with light on one or two sides in the back, over which a white one headrest is placed, that spreads the light in the bath.

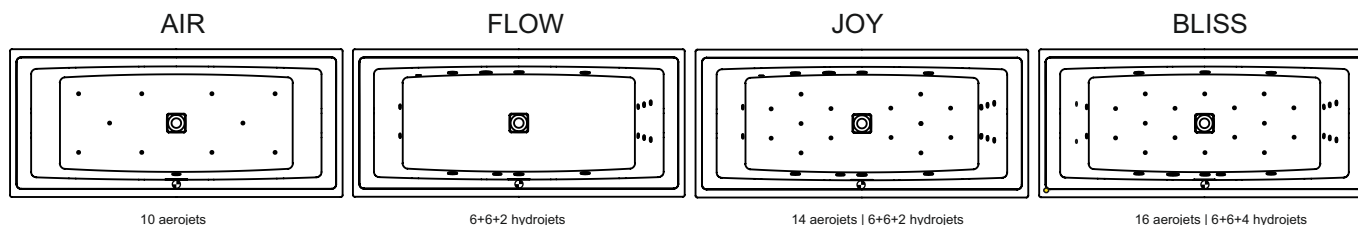

Riho acrylic bathtubs are made of high-quality acrylic, fully reinforced and all through white in colour. The acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain. Therefore, the baths are easy to clean. The surface is pleasantly warm. Standard the bathtub does not include a legset but does include an overflow/drain.

Article number	L x W x H (cm)	Volume** (ltr)	Weight (kg)	Water depth (cm)	Option Rihopool***	Overflow (type)	RIHO Fall

* The contents of the baths are measured including the (average) volume of one person.

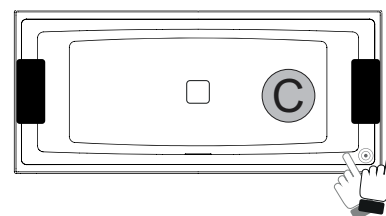

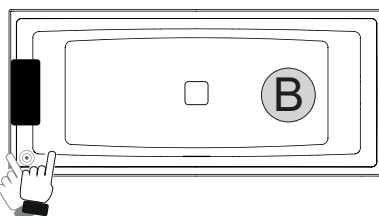

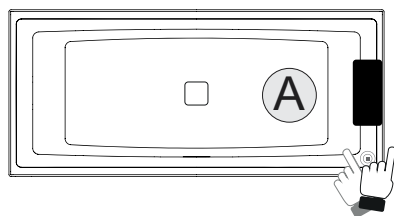

** Plug&Play are versions with acryl bonded panels for corner placing. These baths include a legset. The siphon needs a recess in the floor with a minimum of 3cm.

*** Rihopool whirlpool systems already include a legset.

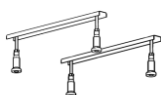

Still baths are optional with light and white headrest. Baths can be ordered with light on one side or on two sides. This includes light + according headrest(s).

Not for P&P version!

Additional to purchase
