

## LISA

This high-gloss white thermae bath is suitable for two people side by side but also diagonally against each other. The drain is placed on the long side so that the water height is at maximum. The bath has a raised edge at the two short sides, which gives the bath a specific touch. Special headrests were designed for this bath, four of which are included. Thermae baths include a touchscreen, heating function and cleaning system.

Riho acrylic baths are made of high-quality cast acrylic, fully reinforced and all through white in colour. Our acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain, also it makes the baths easy to clean. Its surface is pleasantly warm. These Thermae-baths include a support frame and an overflow/drain combination.

Model	L x W x H (cm)	Volume* (ltr)	Weight (kg)	Water height (cm)
<b>BZ15</b>	180 x 90 x 52	195	60	44

\* The volume of the bath is measured including the (average) volume of one person

\*\* The installation height is 67-73cm with legset.
